PRESIDENT: Yes.

SENATOR MARVEL: Underneath the South balcony...Dr. Thompson, would you please stand. Dr. William Thompson who was a professor of psychology at Omaha University for about 35 years. In his retirement, to try to stress the importance of people paying some attention to Nebraska, has prepared a booklet which they will hand out "Songs of Nebraska", which indicates a busy individual in the midst of retirement. So it is our privilege to introduce Dr. Thompson. The books will be coming very shortly. If we can have a couple of Pages over there. Thank you.

CLERK: Mr. President, there will be inserted in the Journal Letters of acknowledgement of receipt of LB 38, 38A, 39, 40, 41, 46, 539, and 550 by the Secretary of State.

PRESIDENT: Do you have something on LR 132?

CLERK: LR 132, Mr. President, yes. Senator Schmit would like to consider the adoption of LR 132. It is found on page 2224 of the Legislative Journal.

PRESIDENT: Senator Schmit.

SENATOR SCHMIT: Mr. President, members of the Legislature. LR 132 was drafted by the Committee on Agriculture and Environment. The purpose of which was to inform the members of this body that at this time we are in compliance, basically in our opinion and under the direction of the Legislature, with the proper attitude toward enforcement of the Federal Insecticide, Fungicide, and Rodenticide laws. The resolution calls attention to the fact that we would request the Department of Agriculture to draw a plan, based upon Nebraska statutes, and that the Governor would submit that plan to the Environmental Protection Agency for their approval or disapproval. It is also assumed that the Attorney General of the United States will assist the State of Nebraska, if necessary, in carrying out the intent of the Nebraska Legislature as regards this legislation. I move for the adoption of the resolution.

PRESIDENT: Senator Newell. Senator Brennan.

SENATOR BRENNAN: Question.

PRESIDENT: No other lights are on. The question is the adoption of the resolution. Record your vote. Have you all voted? Record.

CLERK: 28 ayes, 0 nays on the motion to adopt.

PRESIDENT: The resolution is adopted.

CLERK: Mr. President, we have a new resolution, 141, which will be referred to the Executive Board.
